Entrepreneurship can be an ideal career option for enterprising individuals with Asperger Syndrome (Autism Spectrum Disorder) and this detailed guide explains how to tell if being self-employed is right for you and how to go about starting and growing your own business. Written by a successful entrepreneur and business consultant with Asperger Syndrome, this book provides all the guidance you need on the practicalities of starting up a company. The unique strengths that people with Asperger Syndrome can bring to a new business venture are highlighted and solutions are offered for elements of entrepreneurship that can create stumbling blocks such as developing working relationships within your company, marketing yourself and your business, managing finances, networking and maintaining a healthy work-life balance. Full of pragmatic advice, case studies from established business owners with Asperger Syndrome and practical tools for professional development, this is an essential startup handbook for anyone on the spectrum considering making the leap to becoming an entrepreneur.

This practical guide to effective public speaking for professionals with Asperger Syndrome (Autism Spectrum Disorder) provides tailored advice on using your Asperger strengths to your advantage and overcoming areas of challenge to find your public speaking voice. Written by a business leader with Asperger Syndrome, it includes guidance and hands-on tools for preparation, research and delivery of successful speeches and presentations. It addresses all the key areas that can cause particular difficulty for people with Asperger Syndrome such as coping with anxiety, interpreting the facial expressions of your audience, awareness of your own body language as projected to others, sensory overload issues caused by the speaking environment, and surviving post-speech networking and social events. Whether giving a presentation at a meeting, hosting a corporate event, or delivering an autism awareness speech, this book provides all the guidance that professionals with Asperger Syndrome need to master public speaking.

Download Free An Aspergers Guide To Entrepreneurship Setting Up Your Own Business For Professionals With Autism

People with Asperger Syndrome (AS) often struggle with change and this is magnified when it is part of their professional role to manage and lead change. Written by a business leader with Asperger Syndrome, this practical guide provides advice and strategies for coping with and implementing change in the workplace. Combining theory and practice with case studies and hands-on tools, the book aims to help those who find change particularly difficult to overcome these challenges and use their unique talents and skills to become change champions in the workplace. The book explores the change management life cycle and how it affects leaders with AS and teaches key skills for successfully leading change, preparing staff for change, and dealing with the effects of change on the organisation as a whole. This is a vital leadership development handbook for executive-level business professionals with Asperger Syndrome as well as those who aspire to careers in these roles.

Finding a job is a confusing and anxiety provoking process for many individuals with Asperger Syndrome (AS) who may not know what they are qualified to do and may struggle to communicate their value to employers. This book describes exactly what it takes to get hired in the neurotypical workplace.

Offers people with Asperger's syndrome advice and strategies for thriving in the workplace, covering such topics as meeting employer expectations, working as part of a team, multitasking, and solving problems effectively.

Developing Talents: In this updated and expanded edition, the authors take an in-depth look at a growing area of the U.S. economy: entrepreneurship. Using real-life examples, they point out that many of the unique characteristics of individuals on the autism spectrum lend themselves well to entrepreneurial ventures. The

book also explores many often unnoticed aspects of Vocational Rehabilitation programs that provide job training and placement for people with disabilities as well as Social Security Administration programs that offer vocational assistance. Finally, employment figures and prospects have been updated and new jobs have been added that are particularly well suited for those on the spectrum, resulting in the most current look at the employment prospects for individuals with Asperger Syndrome and high-functioning autism.

Includes bibliographical references (p. 227-230) and index.

An intimate, engaging, and insightful guide to coping with Asperger's—from one of the condition's most passionate advocates. Michael John Carley was diagnosed with Asperger's Syndrome at thirty-six—when his young son received the same diagnosis. This fascinating book reveals his personal experience with the confusion and trauma associated with this condition—and offers insights into living an independent and productive life. Now the Executive Director of the world's largest Asperger's organization, Carley helps readers in such areas as: - Social interactions - Nurturing interests - Whom to confide in—and how - Dealing with family and loved ones - Finding work that suits your strengths and talents

A guide to Asperger's syndrome describes what it is and how it is diagnosed, along with information on such topics as bullying, emotions, language, movement, cognitive ability, and long-term relationships.

Trueman Bradley is a genius detective with a difference, he has Asperger's Syndrome (ASD). Trueman leaves his hometown of Heartville, Illinois, and arrives in New York City, hoping to fulfil his dream of becoming a private detective, like his comic book heroes. He is soon told that a guy with AS could not possibly succeed as a detective. Undeterred, Trueman uses his exceptional
