Berserk, congrats, is the first manga series to make me pause in reading  
because I'm either caught up in so much emotion that I can't process  
what I'm reading, or because I feel sick to my stomach at what is  
happening. With that said, this volume was a mix of both, though with  
more unprocessed emotions than weak stomach.

Guts, the Black Swordsman, is marked with the Brand, which draws the forces of evil to him, but, with a gigantic sword and an elf companion, Guts battles the damned with a vengeance.

The Band of the Hawk may have been the most formidable band of fighters around, but when matched up against an army of abyssal monstrosities, earthly fighting skills don't amount to a hill of beans. The Hawks' tortured and mutilated former leader, Griffith, has used the accursed Crimson Behelit to open the gates to a shadowy realm of unspeakable horrors, the realm of the demon lords of the Godhand, who are willing to transform Griffith into a being of terrible power and majesty as long as Griffith is willing to give up his former command as sacrifices in the Invocation of Doom. But nobody takes down the Hawks without a fight, and their berserker champion, Guts, will take on anything Hell can throw at him in order to save his lover, Casca, from the sordid violations that only Hell can offer.

Kentaro Miura's epic adult fantasy/horror series is an international sensation and is now featured in 7x10 deluxe hardcover editions! Griffith, the mutilated leader of the Band of the Hawk mercenaries, offers up his command to the demon lords of the Godhand in exchange for a rebirth into beauty--and terrible power. But the Hawks' berserker champion, Guts, will take on perdition itself to save his lover, Casca, from the profane violations that only Hell can offer! Collects Berserk volumes 13-15, and includes Berserk Prototype, the original Berserk submission story.

life of Guts, an orphaned mercenary warrior, and Griffith, the leader of a mercenary band called the Band of the Hawk. As he ages, Guts changes from a solitary boy into a man who realizes the value of camaraderie. The story contains elements of both fantasy and horror, as it explores both the best and worst of human nature"--Website: [http://en.wikipedia.org/wiki/Berserk\\_\(manga\)](http://en.wikipedia.org/wiki/Berserk_(manga)).

The Band of the Hawks' rescue of their leader, Griffith, has brought them no ease. Broken beyond healing, a frail ghost of his former glory, Griffith is now more an object of pity than a man, and the Hawks, who've grimly hung together under duress and death during his absence, are now on the verge of splintering to the winds. But Griffith's dreams and ambitions, built on the bodies of his troops and the countless enemies they have slain, have not gone unnoticed in the spirit realm, and though Griffith has nowhere to go as a man, he may yet have a future . . . a future borne on jet-black wings in the company of the demon lords of the Godhand!

Guts, the Black Swordsman, and his companions have finally broken free of the monster-infested wilderness and arrived at the port city of Vritannis. But the band finds out all too quickly that humans can be just as monstrous as the nightmarish creatures and apostles they battled in the forest. As Schierke and Isidro face off against pirate slavers, Farnese's power-hungry family tries to force her once again under the yoke of their political ambitions. The group's only hope is to find a ship out of the city, but even if they manage to secure a vessel, will everyone be free to leave?

Two feudal kingdoms, Midland and Chuder, battle for supremacy in what will become the final clash in a century-long struggle. Spearheading the Midland forces is the Band of the Hawk, a legendary cadre of elite mercenaries led by the charismatic Griffith and with the fearless Guts as its berserker champion. The Hawks' ferocity, courage, and fearsome skills - not to mention Guts' enormous broadsword - are

just what Midland needs to turn the bloody tide, but during the fray, Guts and Griffith's most trusted lieutenant, Casca, fall together from a cliff into a raging river. Miraculously, both barely survive, and Guts tends to Casca's wounds as she tells of having her life saved by Griffith, her induction into the Band of the Hawk, and her deep feelings toward Griffith. She even seems to finally be warming up to the grim Guts. But this greeting-card moment won't last long, for Chuder warriors are on the prowl, and the only greetings they carry are on the points of their spears!

Escaping the port city of Vritannis is no easy task, for even the finest ship is useless if it can't be reached, and a horde of Kushan monsters stalks the city's docks. Led by a powerful necromancer who has mastered both the elements and the monsters of the deep, this hideous brigade may be too much for Guts the Black Swordsman and his companions to handle, even if Guts and Schierke are able to join forces and control the awful wrath of the Berserker armor. And will it even matter, if the Kushan emperor makes Guts an offer he can't refuse?

From creator Kentaro Miura comes Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime. To cure the afflicted Casca, Guts and company battle Elf Island's magical defenses and finally reach Elfhelm, where the elven ruler opens the Corridor of Dreams, projecting Schierke and Farnese into the forbidding wasteland of Casca's mind. But horrors lurk there, some more foul than any in the material world!

The once unbeatable Band of the Hawk is smashed, and their former leader, Griffith, has made an unholy pact with the demon lords of the Godhand, sacrificing his former troops to resurrect his crippled body and ascend to stand in power beside these profane gods. The Invocation of Doom has unleashed a plague of unspeakable horrors upon the earth, and the first battle not only shatters the Hawks, but the hand of their champion, Guts, and the mind of their captain and

Guts ' lover, Casca. And while time may heal some of Guts ' wounds, it will not heal his desire for vengeance. And his discovery of a gigantic, dragon-slaying sword might be just the ticket to deal out some king-sized payback! Also included in this volume: "Berserk Prototype," the very first Berserk story, created during Kentaro Miura ' s college days as his audition that sold the series!
