In Colorado, county human services departments each develop their own respective policies outlining the parameters of decisions that contracted providers may make regarding the children or teens in the counties' legal custody. To aid communication between the counties and all contracted providers, including foster parents, group home providers and other licensed facilities, the State maintains a library of reasonable and prudent parent standards policies, available for download below.

The home health care provision, added after the bill was introduced, is significant. The Centers for Medicare & Medicaid Services severely restricts Medicare coverage for home health care programs using telehealth, including requiring that telehealth services be prescribed by the patient's primary doctor. Colorado's bill gives home health care agencies in the state some leeway to manage telehealth services for Medicaid patients.
