Now in its eleventh successful edition, *Communicating Effectively* presents a comprehensive introduction to interpersonal, intercultural, professional, group, and public communication. Providing just the right amount of theory and research, the book is packed with thought-provoking prose and activities that engage student interest. A pragmatic approach enables students to appreciate ideas, concepts, and theories in their own lives.

Previous editions ('Social Skills in Interpersonal Communication') have established this work as the standard textbook on communication. Directly relevant to a multiplicity of research areas and professions, this thoroughly revised and updated edition has been expanded to include the latest research as well as a new chapter on negotiating. Key examples and summaries have been augmented to help contextualise the theory of skilled interpersonal communication in terms of its practical applications. Combining both clarity and a deep understanding of the subject matter, the authors have succeeded in creating a new edition which will be essential to anyone studying or working in the field of interpersonal communication.

"There must be more to the Christian life than this." If you've ever felt like your life is too safe and comfortable and easy, there's a reason you're not satisfied—we're created by God for adventure. In this book International Justice Mission president Gary Haugen shows how engaging in the fight for justice is the most deeply satisfying way of life.

In this four-session video Bible study guide with included DVD based on popular author and pastor Bill Hybels's classic book on prayer, *Too Busy Not to Pray* calls both young and old to make prayer a priority, broadening our vision for what our eternal, powerful God does when his people slow down to pray. Pack includes one softcover study guide and one four-session DVD."

Organizational Behavior in Health Care, Fourth Edition is specifically written for health care managers who are on the front lines every day, motivating and leading others in a constantly changing, complex environment. Uniquely addressing organizational behavior theories and issues within the healthcare industry, this comprehensive textbook not only offers in-depth discussion of the relevant topics, such as leadership, motivation, conflict, group dynamics, change, and more, it provides students with practical application through the use of numerous case studies and vignettes. Thoroughly updated, the Fourth Edition offers: - Two chapters addressing demographic shifts and cultural competency and their importance for ensuring the delivery of high quality care (Ch. 2 & 3) - New chapter on change management and managing resistance to change. - New and updated content (modern theories of leadership, teaming, etc), and case studies throughout.

The author of *One Minute Manager*, one of the world's most popular management methods, introduces principles for effective leadership that focus on Jesus as a role model, aligning four internal and external domains--the heart, the head, the hands, and the habits.

Combining the time tested classical work of Earl Babbie with the insights of one of the most recognized and respected names in speech communication research, *THE BASICS OF COMMUNICATION RESEARCH* is the book for the Communication research methods course. With the authors' collective experience teaching research methods and as active researchers themselves you will find this text to be the authoritative text for your course. The authors frame research as a way of knowing, and provide balanced treatment to both quantitative and qualitative research traditions in communication research and present it in a student friendly and engaging format. It provides in-depth treatment of the role of reasoning in the research enterprise and how this reasoning process plays itself out in planning and writing a research proposal and report. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

YOUR GUIDE TO COLLEGE SUCCESS: STRATEGIES FOR ACHIEVING YOUR GOALS, 7th Edition, supports students as they adjust and learn to thrive in college, providing students with a foundation to become independent learners. The Seventh Edition can be used with any college student--fresh out of high school, returning to the classroom after being in the workforce, native-born or international. The new edition is now organized to reflect the basis of the college success model that has framed previous editions of this textbook. The unique six-part learning model helps students focus on achievable strategies in the following areas: Know Yourself, Clarify Values, Develop Competence, Manage Life, Connect and Communicate, and Build a Bright Future. Revised in terms of both content and design, the Seventh Edition contains new student profiles, expanded career success sections and hundreds of new references to make each chapter more current and satisfying. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This newly-revised sixth edition summarizes practical skills for communication strategy, writing, and speaking—especially important in today's workplace. Chapter topics cover how to efficiently compose written documents, editing for brevity and style, presentations and visual aids, special speaking situations, and listening skills. For anyone who needs to communicate in today's business or professional environment.
