An indispensable handbook for assisting clients in crisis and in their journey toward healing Integrating practical training with both research and theory, Fundamentals of Crisis Counseling offers students and professionals proven hands-on techniques to assist clients in recovery from crisis and towards an eventual return to their day-to-day lives. Written in the author's gentle yet purposeful voice, this reader-friendly guide is filled with lessons on current evidence-based counseling, how to operate as a client stress manager, and information on finding resources that facilitate client resilience. In addition, the author helps counselors improve counseling effectiveness by gaining a better understanding of their own strengths and weaknesses and emphasizes the importance of self-care. Stemming from the author's thirty-five years of experience as a crisis counselor, this book contains valuable information on: Crisis theory and intervention models Concepts, techniques, assessment, and treatment for disaster mental health work Legal and ethical concerns regarding working with individuals, groups, couples, and families Assessment and instrument selection Main concepts and techniques of brief therapy, motivational interviewing, stages of change, positive psychology, grief therapy, client resilience, and spirituality Multicultural crisis counseling techniques centered on age, gender, sexual orientation, and ethnicity Counselor self-care complete with case studies and examples ideal for all mental health professionals looking for guidance on best practices in crisis counseling, this book is also suitable for training professionals and counseling students. The book includes access to an online instructor's test bank, PowerPoint slides, and syllabi in line with 2009 Council for Accreditation of Counseling and Related Educational Programs (CACREP) standards. Fundamentals of Crisis Counseling imparts useful knowledge on little utilized crisis counseling abilities, preparing counselors at every stage to effectively respond to the immediate and lasting affects of crisis.

Essentials of Supervision presents, in the popular Essentials format, the key information students need to learn in a course on supervision. Utilizing pedagogical tools such as call-out boxes, Test Yourself questions, and case studies, the author provides step-by-step guidelines for effective planning, goal setting, and evaluation, along with tips for giving constructive feedback and applying coaching strategies to motivate supervisees. She also clearly explains how to manage paperwork and describes specialized techniques, such as using video in supervision. This informative text also includes a special section on ethics authored by a leading expert in the field.

Provides common-sense counseling advice for helping people troubled by depression, grief, illness, divorce, family problems, or rape

Crisis Assessment, Intervention, and Prevention, 2/e by Lisa Jackson-Cherry and Bradley Erford is the most effective training tool available for various mental health professionals preparing to help in crisis situations. A concise and informative resource for mental health professionals, this textbook is filled with vital information on assessing and reacting to various crises of our time, presenting the most important topics related to successfully intervening and responding in a series of crisis situations that warrant adequate preparation by helping professionals from all subsets of the community. Uniquely, the book includes perspectives and roles of clinical mental health counselors, school counselors, and pastoral counselors when assisting in crisis situations, and includes vital information on assessing and reacting to various crises of our time. Readers will be presented with the most important topics related to successfully intervening and responding in a series of crisis situations that are unfortunately common, but warrant preparation by helping professionals today. The topics cover the basics and overview of crisis intervention, how to react, the essentials of crisis intervention, understanding grief and loss, intervening with clients who are suicidal, the violence between intimate partners, child victims of sexual assault and abuse, adult sexual assault and sexual abuse victims, addressing substance abuse and dependence within the crisis context, emergency preparedness, and counseling military families. The authors also address topics such as death notifications, diagnostic impressions, and homicidal risk assessment, field experiences, and diverse activities, and integrate the approaches from various counseling specialties. Examples and case studies are included in each chapter. Written as a training resource for various mental health professionals in the field including clinical mental health counselors, school counselors, and pastoral counselors, similarly, schools of social work, psychology, and criminal justice will find applicable information for how to address crisis situations. Graduate programs as well as upper level undergraduate programs will find this book an effective tool in teaching crisis intervention to their students.

Jeannine R. Studer's The Essential School Counselor in a Changing Society offers a practical approach to helping students understand the methods and standards in contemporary school counseling. Integrating the new ASCA model as well as the CACREP Standards across all areas of school counseling practice, this core text provides a unique and relevant perspective on the 21st century school counselor. Studer focuses on ethics and ethical decision making, as well as contemporary issues faced by today's counselor--such as crisis response, career counseling and advisement, group counseling, advocacy, and collaboration. The text begins with coverage of school counseling foundations, addresses intervention and prevention, and devotes the final section to enhancing academics through a positive school culture. "Not only does this text address the CACREP standards for school counseling but it also provides excellent examples and applications of school counseling within the ASCA National Model framework!" --Karen D. Rowland, Mercer University "This text is a valuable contribution to the profession, addressing the multi-dimensional and complex roles and responsibilities of the 21st century school counselor. It is a foundational text that counselor-educators can utilize throughout a master's degree program in mentoring interns into the profession." --Diana L. Stephens, California Lutheran University

Featuring new chapters on bullying, sexual assault, natural disasters, eating disorders, and cultural considerations, the second edition of this highly popular Handbook provides a one-stop reference for mental health professionals who face a bewildering variety of school-based crises. Key features include a focus on both prevention and intervention and ongoing discussions of the research that underlies best practice. Like the first edition, chapters follow a parallel structure that includes: *the incidence, prevalence, and impact of the crisis; *theories regarding precipitating factors; *discussion of who is at risk for encountering the crisis; *primary prevention activities; *methods of working with high-risk clients; *developmentally-appropriate methods and intervention activities for individuals; and *developmentally-appropriate methods and activities for groups. The result is an unusually coherent volume that is suitable for graduate work in school psychology, school counseling, school social work, and school nursing, or as a reference work for in-service practitioners.

The Second Edition of The Essential Counselor is a practical and inspirational text. With a warm and passionate writing style, David Hutchinson demonstrates the process of becoming a counselor and developing key skills from start to finish. The author gains credibility through his real world examples and reflection activities, helping students feel less intimidated. The book covers all the key counseling skills learned in a skills/methods course, including skills for engaging a client, tools for engagement, lab practice activities, listening skills, developing empathy, and more advanced skills such as assessment, goal setting and action planning. Additionally, many of the skills described in The Essential Counselor are exemplified with an accompanying DVD that demonstrates skills used with six different client groups.
