students who care about the needs of the learners and the development of an equitable education system in our country.

How colleges and universities can live up to their ideals of diversity, and why inclusivity and excellence go hand in

Read Free
Diversity And
Inclusion. Most colleges
and universities
embrace the ideals of
diversity and
inclusion, but many
fall short, especially
in the hiring,
retention, and
advancement of
faculty who would
more fully represent
our diverse world—in
particular women and
people of color. In

Read Free Diversity And

this book, Abigail Stewart and Virginia Valian argue that diversity and excellence go hand in hand and provide guidance for achieving both.

Stewart and Valian, themselves senior academics, support their argument with comprehensive data from a range of

Read Free Diversity And

disciplines. They show why merit is often overlooked; they offer statistics and examples of individual experiences of exclusion, such as being left out of crucial meetings; and they outline institutional practices that keep exclusion invisible, including

Read Free

Diversity And

reliance on proxies
for excellence, such
as prestige, that
disadvantage
outstanding
candidates who are
not members of the
white male majority.
Perhaps most
important, Stewart
and Valian provide
practical advice for
overcoming obstacles
to inclusion. This

Read Free Diversity And

advice is based on their experiences at their own universities, their consultations with faculty and administrators at many other institutions, and data on institutional change. Stewart and Valian offer recommendations for changing structures and practices so that

Read Free Diversity And

people become
successful in ways
that benefit everyone.
They describe better
ways of searching for
job candidates;
evaluating candidates
for hiring, tenure, and
promotion; helping
faculty succeed; and
broadening rewards
and recognition.

Big, small, curly,
