British Leyland Parts and Accessories I Rimmer Bros

Leyland Motors has a long history dating from 1896, when the Sumner and Spurrier families founded the Lancashire Steam Motor Company in the town of Leyland in North West England. Their first products included steam powered lawn mowers. The company's first vehicle was a 1.5-ton-capacity steam powered van. This was followed by a number of undertype steam wagons using a vertical fire-tube boiler.

Leyland Motors - Wikipedia

Bore was 80.26 mm (3.160 in) and stroke was still 89 mm (3.5 in). The engine at first had a three-bearing crankshaft with a five-bearing version appearing in 1964. There was also a diesel version of this capacity, used in the Leyland Sherpa van, and built under license in Turkey for many years.
