through video episodes that directly correspond to units in the textbook. By combining a compelling story line with a wealth of educational materials, "Encounters" weaves a tapestry of Chinese language and culture rich in teaching and learning opportunities. "Encounters" follows a carefully structured and cumulative approach. Students progress from listening and speaking to the more difficult skills of reading and writing Chinese characters, building grammar, vocabulary, and pronunciation skills along the way. "The Encounters" programme includes: Two Full-

that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit
