Nurture the artistic side of kids and expose them to the decorative arts with this easy-to-understand title. Super Simple Masks uses simple language and how-to photos to introduce early crafters to a variety of projects including masks made out of plates, foam, felt and more. Even seasoned crafters will be surprised by the ingenuity and functionality of these craft ideas! Super Sandcastle is an imprint of ABDO Publishing Company.

Learn how to make fabric face masks with this collection of simple designs that are quick and easy to sew. This book includes three basic styles--classic, pleated, and contoured--allowing you to choose the mask design best suited for your needs and preferences. Each mask style is available in three different sizes, so you can make masks for everyone in your family, from kids to adults. Best of all, the book also includes enough elastic to make three masks, so you can get started sewing right away! Making your own fabric masks allows you to personalize the design and incorporate your favorite fabrics or add special details, like applique or embroidery. You can even create a face mask to match your outfit! As an added bonus, the book includes adorable animal-themed styles designed especially for young kids to help make wearing a mask fun and friendly. In addition to helping prevent the spread of germs, masks can be worn to reduce allergy symptoms and protect against cleaning fumes and air pollution. Face masks are becoming part of our daily lives, so why not make one that is both functional and cute!

The Teachers Book is an invaluable resource providing planning grids for each book which integrate reading and writing teaching strategies, ICT related tasks, homework activities and class follow-up activities. The planning guides offer suggestions for before, during and after reading.
