## *An Introduction to Accounting Theory*

Transaction cost theory  
Transaction cost theory  
is an alternative variant  
of the agency  
understanding of  
governance  
assumptions. It  
describes governance  
frameworks as being  
based on the net effects  
of internal and external  
transactions, rather than

# Online Library Management

as contractual relationships outside the firm (i.e. with shareholders).
