For many indigenous poets, it is poetry that makes a bridge between indigenous spoken traditions and written English texts. As a young Mvskoke student at a state university studying art, I came to poetry because I wanted the intricate and metaphorical language of my ancestors to pass through to my language, my life.

Filling the void left by governments, Indigenous peoples are taking the lead in preventing the spread of the coronavirus in their communities. Examples include the Navajo (USA) closing borders, imposing curfews, and testing more than 40 000 people; and Amazonian Indigenous groups making their own face masks, providing sanitation, and disseminating information about COVID-19 in local languages.
