Quicksilver is a historical novel by Neal Stephenson, published in 2003. It is the first volume of The Baroque Cycle, his late Baroque historical fiction series, succeeded by The Confusion and The System of the World. Quicksilver won the Arthur C. Clarke Award and was nominated for the Locus Award in 2004. Stephenson organized the structure of Quicksilver such that chapters have been incorporated into three internal books titled "Quicksilver", "The King of the Vagabonds", and "Odalisque". In 200

Quicksilver (novel) - Wikipedia

The Baroque Cycle is a series of novels by American writer Neal Stephenson. It was published in three volumes containing eight books in 2003 and 2004. The story follows the adventures of a sizable cast of characters living amidst some of the central events of the late 17th and early 18th centuries in Europe, Africa, Asia, and Central America. Despite featuring a literary treatment consistent with historical fiction, Stephenson has characterized the work as science fiction, because of the presenc

The Baroque Cycle: Quicksilver, The Confusion, and The ...

I couldn't put it down and now I've finished Quicksilver this morning and am well started on The Confusion. That's how good I think Neal Stephenson is. I'm not getting his description of The Baroque Cycle as sci-fi yet, but I've got two big books yet to go. Thank goodness. The funny thing is, I don't care at all for dialogue and exposition.
