For centuries, people have turned to classical music for its calming and relaxing effects. Internationally acclaimed water researcher Dr. Masaru Emoto has discovered why certain music has healing benefits: Music with the appropriate rhythm, tempo, tone, and melody can correct distorted frequencies within our cells, assisting our health and healing. Here, you can enjoy Dr. Emoto's captivating water-crystal photographs and text in this unique collection. The possible benefits you may experience include decreased joint and back pain; improved function of the nervous, circulatory, lymphatic, and immune systems; and the release of negative emotions such as anxiety, self-pity, and depression. The combination of images and words in Water Crystal Healing

concentrates consciousness as never before, providing a unique experience for healing.

(Fake Book). A comprehensive reference for all classical music lovers, the second edition of this fake book features 250 pieces added since the last edition. Imagine having one handy volume that includes everything from Renaissance music to Vivaldi to Mozart to Mendelssohn to Debussy to Stravinsky, and you have it here! We have included as much of the world's most familiar classical music as possible, assembling more than 850 beloved compositions from ballets, chamber music, choral music, concertos, operas, piano music, waltzes and more. Featuring indexes by composer, title and genre, as well as a timeline of major classical composers, this encyclopedic fake book is great to use for playing and performing, but it's also a terrific resource for concert-goers, music students and music lovers. The chords of the harmony are indicated, and lyrics, in the original language, are included where appropriate.
