Midsomer Murders: The Complete Series Five and Six DVD ...

In the case of Seumas Gallacher's latest, 'Deadly Impasse', the fifth in his Jack Calder series, I was struck by a sense of having uncovered a lost treasure – an undiscovered Frederick Forsyth novel, yet with the hard-edged, no-nonsense, take-no-prisoners style that Gallacher's fans have come to love from his very much twenty-first century thrillers.

The purpose of this case series is to describe a new immunophenotypic variant of MCC, while further expanding the differential diagnosis of tumors included in the subset of neoplasms showing CK20–/CK7+ staining. Citing Literature. Number of times cited according to CrossRef: 55.

The shocking murder of little Geneva Hardman in 1920 Kentucky leads to the first time a state tries to stop a lynch mob in the South. First the state militia then U.S. troops under martial law are called with orders to protect Will Lockett, the "Negro" suspect. Did Geneva get justice? Don't miss books 1-4 of The Colder Case Series!

An anonymous skull, an unsolved murder, sinister rumors from the Cold War era of espionage—Bruno's investigation into a long-standing cold case finds him caught between an enigmatic winegrower and a

Access Free The Colder Case Series 5 Book Series

menacing Communist organization from the past. After attending an exhibit on the facial reconstruction of ancient skulls, Bruno wonders if this technology might provide an invaluable clue to a thirty-year-old cold case. But learning the identity of the murder victim is only the beginning. The investigation quickly turns thorny and leads Bruno to a reclusive vintner, Henri Bazaine, whose education at a vocational school in a formerly Communist region has raised some eyebrows. An inquiry into the defunct school turns up shadowy reports of possible connections and funding from the Stasi, the repressive police agency of the former East Germany. The scrutiny on Henri intensifies once Bruno discovers that he was declared dead thirty years ago and has been living under an assumed name ever since. The strange case is further complicated as Parisian bureaucrats get involved, hinting that essential diplomatic relations might be at stake. And to make matters even worse, the Dordogne is suffering from an intense summer drought that is sparking fires across the region. But as always, Bruno will keep a cool head through it all--and, bien sûr, takes time to enjoy a sumptuous Périgordian meal!

When Detective Clayton Tyler is tasked with reviewing the formidable archives of unsolved homicides in his police department's vaults, he settles on one particular cold case from the 1980s: The Chester Creek Murders. Three young women were brutally murdered—their bodies dumped in Chester Creek, Delaware County—by a serial killer who has confounded a slew of detectives and evaded capture for over thirty-eight years. With no new leads or

Access Free The Colder Case Series 5 Book Series

information at his disposal, the detective contacts Venator for help, a company that uses cutting-edge investigative genetic genealogy to profile perpetrators solely from DNA evidence. Taking on the case, Madison Scott-Barnhart and her small team at Venator must use their forensic genealogical expertise to attempt finally to bring the serial killer to justice. Madison, meanwhile, has to weigh professional and personal issues carefully, including the looming five-year anniversary of her husband's disappearance. Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense

Access Free The Colder Case Series 5 Book Series

interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

True crime is her beat. But this cold case is personal... Samantha Vincent has turned her fascination with true crime into a popular blog. When an old friend asks her to investigate a murder the police couldn't solve, she begins to suspect that the cops want this case to go cold. Sam is confident she'll catch the killer when Detective Gregory Harris agrees to help her, but everything changes when she becomes a target... While on Injured on Duty status, Lauren Riley's hired as a private investigator to travel to rural Ireland in search of a Picasso painting stolen twenty years earlier in this nerve-shredding thriller. An old wound forces Cold Case Detective Lauren Riley onto Injured on Duty leave. Unless she rests she faces the threat of early retirement. However, dreading the prospect of doing nothing for six months, Lauren renews her private investigator license. She's soon contacted by Sharon Whitney, the ex-wife of wealthy Buffalo resident - and suspected mob boss - Howard Whitney. During their bitter divorce twenty years earlier a Picasso painting was stolen from their home and never recovered. After the main suspect passes away from ill health in Ireland, Sharon to hires Lauren to locate the painting - before her ex-husband does. Lauren expects a low-stress, fact-finding trip yet arrives in Ireland to discover suspicions around the suspect's death and his home ransacked. With the clock ticking, uncovering the truth behind the painting's disappearance may be far more dangerous than Lauren imagined.

Billionaire Genoa Greeves believes the LAPD should finally solve the fifteen-year-old execution-style murder of her favorite teacher, Bennett Little—especially now that Hollywood music producer Primo Ekerling has been slain in an eerily similar manner: shot and stuffed into the trunk of his Mercedes-Benz. Lieutenant Peter Decker resents having to commit valuable manpower to a cold case simply because a rich woman says, "Jump!" But when a primary investigator in the Little case, now retired,

Access Free The Colder Case Series 5 Book Series

suspiciously commits suicide hours after he and Decker talk, the detective realizes something evil's connecting the dots in two murders separated by a decade and a half. Wife Rina Lazarus offers a cool, rational outlook, as always, despite her growing concern for her husband's welfare—as past and present collide with a vengeance, catapulting Decker ever closer to the edge of an infinite dark abyss.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

A Most Anticipated Novel by PopSugar * Crime Reads * Goodreads * A true crime blogger gets more than she bargained for while interviewing the woman acquitted of two cold case slayings in this chilling new novel from the New York Times bestselling author of *The Sun Down Motel*. In 1977, Claire Lake, Oregon, was shaken by the Lady Killer Murders: Two men, seemingly randomly, were murdered with the same gun, with strange notes left behind. Beth Greer was the perfect suspect—a rich, eccentric twenty-three-year-old woman, seen fleeing one of the crimes. But she was acquitted, and she retreated to the isolation of her mansion. Oregon, 2017. Shea Collins is a receptionist, but by night, she runs a true crime website, the *Book of Cold Cases*—a passion fueled by the attempted abduction she escaped as a child. When she meets Beth by chance, Shea asks her for an interview. To Shea's surprise, Beth says yes. They meet regularly at Beth's mansion, though Shea is never comfortable there. Items move when she's not looking, and she could swear she's seen a girl outside the window. The allure of learning the truth about the case from the smart, charming Beth is too much to resist, but even as they grow closer, Shea senses something isn't right. Is she making friends with a manipulative murderer, or are there other dangers lurking in the darkness of the Greer house?

Cases in which all investigative leads appear to be exhausted are frustrating for both investigators and victims families. Cold cases can range from those only a few months old to others that go back for decades. Presenting profiles and actual case histories, Cold
