The Criminalization of a Woman's Body: Feinman, Clarice ...

Women ‘ grow out of crime ’ – they are most likely to desist from offending in their late teens. The peak age of reported offending for girls was 14. (The peak age of recorded offending for girls was 15, compared to 19 for men). Criminal statistics show that, in 2002, only 19% of known offenders were women.

Women and Crime - History Learning Site

The Criminalization of Women Over a million and a half people are forced to live in cages in America; approximately 116,000 of those people are women. At present there is significantly higher growth in the rate of incarceration of females than of males in the United States.

The Criminalization of Women | The Anarchist Library

Throughout history, there have been many women criminals who have made significant contribution to the field. The list includes many familiar and great female criminals such as Aileen Wuornos, Griselda Blanco, Ilse Koch, Jodi Arias, Karla Homolka. The women criminals featured in this list are from United States, United Kingdom, Canada & Australia and many more countries.

List Of Most Notorious Female Criminals

Criminalization of Women Project. A disproportionate number of women who were reporting violence against them, found themselves facing criminal charges. The Criminalization of Women Project seeks to reverse this trend. The Criminalization of Women Project was conceived to address the disproportionate impact of the law on women who identify violence against them (particularly intimate partner abuse and sexual violence), but then find themselves facing criminal and other consequences.

Criminalization of Women - Barbra Schlifer Commemorative ...

Therefore if a woman poses a risk to society it would be considered appropriate by the probation service to recommend a custodial sentence to prevent risk and protect society. A main argument put forward in regards to differential treatment for women in the criminal justice system is based on assumptions that there are hierarchies of role worth.

This groundbreaking book addresses the ominous trend of introducing and passing laws and court decisions regulating the actions of women and the control of their bodies. One of the few books published on the criminalization of women ' s bodies, this timely book takes a serious look at the effect these laws would have on women and the threat to their autonomy, privacy, and control; their bodily integrity; control over reproductive capacities; and their constitutional rights. From ancient literature to the literature and law of contemporary society, a woman ' s value has often rested on her fulfilling expected roles as wife and mother. The lack

of respect for women inherent in this predominantly male-oriented line of thinking is reinforced in this new trend of legislation and court decisions attempting to regulate women ' s behavior and reproductive capacity. The Criminalization of a Woman ' s Body thoroughly discusses these special laws governing women ' s personal choices and the threats these laws and court decisions pose to women ' s autonomy and constitutional rights. Scholars from Israel, Italy, and the United States provide a multidimensional discussion of the problem facing women in many, if not all, countries. Contributors represent various disciplines including, law, philosophy, medicine, political science, sociology, women ' s studies, and criminal justice. Articles analyze sensitive issues surrounding abortion and its impending criminalization in several countries; controversial topics on contract motherhood; the power of administrative agencies to control and informally criminalize pregnant women and new mothers; policies meant to protect the fetus from pregnant women who deviate from medically, socially, and legally sanctioned behavior which may deter women from seeking any medical care; and the destruction of families due to the criminalization of pregnant women and new mothers and the consequent removal of their children and placement into foster care. Professors, students, librarians, agency workers dealing with women ' s issues, and women and men in the general public will find this important book a helpful tool in sorting through the complex issues on criminalizing women ' s bodies.

This book tells the real-life horror story of states' abusing laws and infringing on rights to police women and their pregnancies.

Criminalizing Women introduces readers to the key issues addressed by feminists engaged in criminology research over the past four decades. Chapters explore how narratives that construct women as errant females, prostitutes, street gang associates and symbols of moral corruption mask the connections between women s restricted choices and the conditions of their lives."

This third edition provides thoroughly updated information on the status of women in all aspects of the U.S. criminal justice system, from incarcerated women to professionals in the legal, law enforcement, and correctional fields. While concentrating on the present, Clarice Feinman traces changes in theories, goals, practices, and policies concerning women of different racial, ethnic, and socioeconomic backgrounds--be they offenders, professionals, or reformers--since 1800, with a focus on why changes occurred. This unique text is an important tool for filling gaps in information, continuity, and understanding of issues affecting women in the up-hill battle to transform this male-dominated system.

This book presents an up-to-date analysis of women as victims of crime, as individuals under justice system supervision, and as professionals in the field. The text features an empowerment approach that is unified by underlying themes of the intersection of gender, race, and class; and evidence-based research. Personal narratives supplement research and statistics to help students connect the text material with real-life situations. This new edition is informed by consideration of major ongoing social movements such as #MeToo, Black Lives Matter, and the fight to reduce mass incarceration. The text stresses contemporary topics such as recognition of lesbian, bisexual, and transgender issues in juvenile and adult facilities; the introduction of trauma-informed care in detention centers and prisons; the criminalization of Black girls and women; the effects of an increasingly militarized police culture; and the contributions of Ruth Bader Ginsburg and other

influential women. With its emphasis on critical thinking, this text is ideal for undergraduate courses concerning women in the justice system.

Criminalizing women has become all too frequent in these neo-liberal times. Meanwhile, poverty, racism, and misogyny continue to frame criminalized women ' s lives. *Criminalizing Women* introduces readers to the key issues addressed by feminists engaged in criminology research over the past four decades. Chapters explore how narratives that construct women as errant females, prostitutes, street gang associates and symbols of moral corruption mask the connections between women ' s restricted choices and the conditions of their lives. The book shows how women have been surveilled, disciplined, managed, corrected, and punished, and it considers the feminist strategies that have been used to address the impact of imprisonment and to draw attention to the systemic abuses against poor and racialized women. In addition to updating material in the introductions and substantive chapters, this second edition includes new contributions that consider the media representations of missing and murdered women in Vancouver ' s Downtown Eastside, the gendered impact of video surveillance technologies (CCTV), the role of therapeutic interventions in the death of Ashley Smith, the progressive potential of the Inside/Out Prison Exchange Program, and the use of music and video as decolonizing strategies.

This anthology explores the ways in which women of color are monitored, criminalized and regulated.
