Beans as bullets', 'Vegetables for Victory' and 'Cloches against Hitler': these slogans convey just how vital gardening and growing food were to the British war effort during the Second World War. Exhorted to 'Grow More Food', then to 'Dig for Victory', Britain's 'allotment army' was soon out in force, growing as many vegetables as possible in suburban allotments, private gardens, even the grounds of stately homes.

~~Digging for Victory: Gardens and Gardening in Wartime ...~~

Victory gardens, also called war gardens or food gardens for defense, were vegetable, fruit, and herb gardens planted at private residences and public parks in the United States, United Kingdom, Canada, Australia and Germany during World War I and World War II. In wartime, governments encouraged people to plant victory gardens not only to supplement their rations but also to boost morale. They were used along with Rationing Stamps and Cards to reduce pressure on the public food supply. Besides i
