The primary conspiracy of the late 20th century.

Smeared by cheap innuendo and false accusations alleging he is responsible for having allowed a bomb aboard Pan Am 103, Micheal T. Hurley, career law enforcement veteran, faces a dilemma as real as his lifetime savings: bet everything that truth would win out in a court of law or just surrender to that which he knows to be wrong. Succumb or fight? Capitulate or resist? I Solemnly Swear captures his answer to that dilemma and presents a diverse group of heroes and traitors, lawmen and outlaws, the innocent and the guilty who bounce between Seattle, Larnaca, London, Washington, DC, Frankfurt, and Fort Lauderdale. In an international game of cat and mouse, Hurley spends his last three years as a DEA Supervisory Special Agent being jerked around by a media that is all too willing to criticize the US Government and to mar Hurley's reputation as a competent international narcotics agent. This is his story.
